

UNIMAS Edutourism Programmes 2022

Sarawak

Sarawak is one of the states in Malaysia located in Borneo. It is a place known for its richness in biodiversity, natural resources, and people of diverse background.

UNIMAS

Located in Kota Samarahan, UNIMAS was officially incorporated on 24th December 1992. UNIMAS currently houses 10 faculties, 1 pre-university, and more than 20 centres and divisions. UNIMAS is fortunate to be situated in Sarawak as it offers us various places and culture to explore.

SELAMAT DATAI!

UNIMAS would like to welcome everyone who are keen to explore unfamiliar places, gain valuable new experience and of course, create memorable moments through our Edutourism programmes.

We hope your Edutourism experience with us will be amazing, enlightening, and memorable, as you immerse yourself with the local culture and biodiversity.

UNIMAS EDUTOURISM PACKAGES

UNIMAS Edutourism Programmes are promoted under UNIMAS Global High Impact Programmes (UGHIPs) which aim to:

- Provide participants with authentic learning experience through fun and interactive activities
- Encourage cultural exchange between students and the local communities
- Establish bond between international and local participants

INCLUSIVE | GLOBAL | SUSTAINABLE

Edutourism Categories

These are the categories to choose from if your institution wishes to customize an Edutourism Programme for your students:

1. Agriculture and Veterinary (AAV)
2. Arts and Social Science (ANS)
3. Business and Entrepreneurship (BAE)
4. Culinary Arts and Hospitality (CAH)
5. Environmental and Health Science (EAH)
6. Food, Culture and Heritage (FCH)
7. Language and Communication (LAC)
8. Leadership and Management (LAM)
9. Nature and Adventure (NAA)
10. Science and Technology (SAT)
11. Sports (SPT)

PROPOSED ACTIVITIES BASED ON CATEGORIES

Category 1: Food, Culture & Heritage (FCH)

Package 1: Local Delicacies

In this module, you will learn about the different types of local food. You will also get to taste and prepare some of the food through the activities in the module.

Activities:

- Introduction to local delicacies by the local people
- Food tasting around Kuching town
- Tutorial on preparing local dishes such as 'Laksa Sarawak' and 'Penyaram' (local deep-fried pancake)
- Hands-on: Making 'Sarawak Laksa'

Package 2: Local Arts & Crafts

In this module, you will learn about the local arts and crafts. The module also offers you the opportunities to learn making some of the crafts.

Activities:

- Introduction to bead-based accessories
- Tutorial on making traditional bracelet and cross-stitch
- Hands-on: Making traditional bracelet and cross-stitch

INCLUSIVE | GLOBAL | SUSTAINABLE

Category 2: Nature & Adventure (NAA)

Package 1: Exploring the Biodiversity

In this module, you will be introduced to the local flora and fauna. You will get to learn about various plant species and animals as well as their habitats.

Activities:

- Introduction to different types of flora and fauna that can be found in Sarawak.
- Explore UNIMAS real-living lab and learn about the different plant and animal species

Package 2: One with the Nature

In this module, you will be offered the authentic learning experience by exploring the nature in person. Besides, you can relax and enjoy the scenic view along the footpath.

Activities:

- Hiking Bung Jagoi / Trekking Bako National Park
- Get the chance to see the animals up-close in their natural habitat

INCLUSIVE | GLOBAL | SUSTAINABLE

Category 3: Sports (SPT)

Package 1: Kayak (Water Sport)

In this module, you will learn the techniques for kayaking. You will also get to experience kayaking around UNINMAS lake with the guidance of our experienced instructors.

Activities:

- Introduction to kayak and the techniques of kayaking
- Kayaking around the UNIMAS lake

Package 2: eBike

In this module, you will learn the basic cycling ethics in Malaysia which may not be the same as what you have in your country. You will also get to tour around the campus on eBike while practicing the ethics and keep yourself healthy and fit!

Activities:

- Introduction to the ethics of cycling in Malaysia
- Explore UNIMAS campus on eBike

INCLUSIVE | GLOBAL | SUSTAINABLE

Category 4: Language & Communication (LAC)

Package 1: Community Immersion & Engagement

In this module, you will get to immerse yourself with the local community and learn about their dialects, lifestyles, culture, tradition and beliefs. It is a good opportunity for an authentic and meaningful learning experience by actively engaging and interact with the local community.

Activities:

- Introduction to different ethnicities in Sarawak.
- Visit to the Sarawak Cultural Village and mingle with the local community at a selected home-stay
- Give back to the community through various forms of activities
- Learn the local dialects through engaging and fun activities with the community
